

Triumph Uncorked Silent Auction Listings

Thanks to the generosity of our auction item donors,
100% of the proceeds of the auction will benefit our Foundation!

Silent Auction begins...5:00 PM

Silent Auction closes in 2 stages during the concert intermission.

Section 1 will close at approximately 8:35 PM.

Items available for pick up after the auction beginning at 9:15 PM

At Auction Closing, we will close off the Pavilion to guests. Auction Bid Sheets will be removed from the table and taken to the original Check-in where payment processing will occur. Please do not remove items from the table.

If you have a credit card on file with us, you do not need to be present when the transactions are processed. Items can be picked up after 9:15 PM at the Auction Pavilion. We appreciate your patience as we complete the auction processing inside where we have a stronger WIFI signal.

Results will be posted on large posters by the Pavilion within 15 minutes of Auction Closing. **If you placed any bids on items, you should check the Results Board at the Pavilion.**

If your credit card was on file, your payment will be processed and a receipt will be emailed. Items can be claimed in the Auction Pavilion. You will need to show an ID to claim your prize. **If no credit card was on file, we will need you to come to the Check Out area to make payment before you can claim your item.** If you are planning to leave the event early, alert a volunteer at the close of the Auction and you may accompany them to the Check Out area for processing.

If you bid the **"BUY IT NOW"** or **"GUARANTEED PURCHASE"** amount on a bid sheet while the auction is open, find a volunteer and alert them. They will take the bid sheet to the cashier and we will process your bid immediately. **Please see additional Silent Auction rules at the end of the catalog listing.**

Good Luck! And thank you for supporting Triumph Cancer Foundation!

Silent Auction Rules

All sales are final. No refunds or exchanges are permitted unless specified in a particular offer, and all items are sold "as-is." Please read specifications and limitations carefully.

Values indicated for items or services are estimates only and are not warranted for tax purposes. Consult your tax advisor as to the deductibility of individual items. The Internal Revenue Service recognizes the Triumph Cancer Foundation as a 501(c)(3) organization.

All gift certificates and services must be used before the time of expiration. Expiration dates vary. Please be sure to check the expiration date, unless otherwise specified in the offer. Dates and times are to be arranged between the buyer and donor for their mutual convenience. Guest House stay and hotel stay packages require advance reservations and are on a "space available" basis. Unless otherwise specified, restaurant offerings require advance reservations and do not include alcoholic beverages, taxes, or gratuities.

All purchases must be paid for in full on June 15th. Tables will begin closing at approximately 8:35 PM, and all tables will close before the 2nd half of the concert. Payment processing will begin immediately and items can be picked up after 9:15 PM at the Auction Pavilion.

Each offering is represented by a bid sheet showing the item number, description, estimated value, minimum opening bid, and incremental bid amounts. A bid is entered by writing your bid number on the line below the previous bid. You can skip lines and place a larger bid by drawing a line with an arrow down to the bid amount you wish to place.

An opening bid must meet or exceed the minimum opening bid shown on the bid sheet. Each subsequent bid must exceed the previous bid. You can place your bid on any line that exceeds the highest existing bid. Minimum increments as per the individual bid sheets must be followed. Bids not meeting this requirement will be disqualified. Changed, or lined-out bids must be initialed by the bidder.

"GUARANTEED PURCHASE" or "BUY IT NOW"

We will entertain Guaranteed Purchase bids on all items and they are listed at the bottom of each bid sheet. By writing your bid number on this line, you can close the bidding early on the item. Please notify an auction volunteer and we will process your winning bid immediately. Do not remove the item from the table. A volunteer will assist you.

Items are sold to the highest bidder at the close of the bidding. The auction staff reserves the right to remove invalid bids, resolve disputes, or withdraw the offering. No bids will be accepted after the end of the auction unless an item has no previous bids.

Auction Payment

At the close of the auction, our volunteers will close off the Silent Auction Pavilion to guests so that we can remove the Auction Bid Sheets from the tables. Processing of all transactions will occur in the Check In area as it transitions to Check Out. If you are the winning bidder, do not pick up your item from the table. Allow our volunteer staff to collect all the bid sheets. Auction items will remain in the Pavilion this year on the tables for ease of pick up. When transactions are completed, the bid sheet will be returned to the Auction area and the Pavilion will reopen for winning bidders to come and claim their items. Please have a photo ID or your Bid Card available to show a volunteer to claim your prize.

All guests with credit cards on file will have their winning bids processed via their credit card and receipts will be emailed.

If you do not have a credit card on file with us, or want to pay with cash or check, alert a volunteer immediately at the close of the auction. You may accompany the volunteer to the Check Out area for processing your transaction.

If you need to leave prior to the second half of the concert, you may go to the Check Out room to have your transaction processed after the auction closes.

Cash, checks made payable to "Triumph Cancer Foundation" and all credit cards are accepted.

Auction Items may be picked up at the Auction Pavilion after 9:15 PM once payment processing has occurred. All items will remain on the original Auction Tables for ease of finding after the event.

We appreciate your patience as we work through all the transactions.

Thank you for supporting our Auction! Good luck!
