Dear Prospective Partner:

Thank you for the opportunity to submit this application for sponsorship of our Foundation's annual Triumph Uncorked fundraiser. Funds raised will be used to assist cancer survivors in our community. The past year has been challenging for all of us due to the pandemic. No one has been left untouched, but some have been impacted more than others. Small nonprofits, like ours, have had a more difficult path in securing funding to provide services, while being faced with unanticipated additional costs due to reformatting all programming, as well as purchasing exercise equipment to provide to each of our participants. The survivors that we serve have also received a double blow of a cancer diagnosis which has, in turn, made them more vulnerable to the risk of contracting COVID-19 due to being immune-compromised. Despite all of this, Triumph Cancer Foundation has navigated through the obstacle course and continues to proudly provide vital services to our cancer community.

A cancer diagnosis and subsequent treatment can have significant ramifications on a survivor's overall quality of life. The impact of treatment on a survivor's physical fitness can be profound and may include loss of muscle mass, extreme fatigue, and reduced stamina. Published medical research indicates that survivors who exercise report less exhaustion, as well as an overall increase in their health, wellness and quality of life. Exercise is also a key component in reducing a cancer survivor's chance of recurrence. And in the era of COVID-19, exercise is proven to boost the immune system – a critical component needed for survivors with compromised immune systems due to treatment. As many of us know through personal experience or that of a loved one, forging ahead as a cancer survivor is oftentimes daunting or lonely. Reengaging in exercise, or beginning for the first time, can be difficult for a survivor who doesn't "recognize" their new body, fears injuring themselves, and has low self-esteem. Very few programs exist to support the physical recovery process. Triumph Fitness was created to fill this critical gap and help survivors in recapturing their lives.

On October 16, 2021, Triumph Cancer Foundation, a Sacramento-based nonprofit and 501(c) (3), will host the 11<sup>th</sup> annual Triumph Uncorked event. Our Foundation is watching the guidelines of both the State and the CDC to determine which format our event will take, virtual or in-person at Helwig Winery. We will be contacting all sponsors as decisions are made to coordinate on sponsor benefits based upon Triumph Uncorked's format. While we truly hope to be celebrating together at Helwig Winery, we also know that last year's virtual event was successful, engaging, and showcased all our sponsors well.

Triumph Uncorked supports the unique programs offered by Triumph Cancer Foundation to local cancer survivors in the Sacramento region. Triumph Fitness is our signature 12-week program – a program designed specifically to assist adult survivors in their recovery process. Survivors are taught by Triumph Instructors, all certified cancer exercise specialists, who educate participants on proper form and technique while slowly rebuilding strength, stamina and confidence lost during cancer treatment. Triumph Fitness is offered at no cost to the survivor and is currently taught in a safe and effective virtual format.

We hope you will join Triumph Cancer Foundation as a sponsor for the 11<sup>th</sup> Annual Triumph Uncorked. We are grateful to have been sponsored by companies such as Wells Fargo, Delta Dental, Western Health Advantage, Blue Shield of California, Ten2Eleven, UC Davis Cancer Center, Sutter Health, Dignity Health, Molina Healthcare, Carrington College, and Kaiser Permanente. As in previous years, net proceeds raised from the event will support local cancer survivors giving them the opportunity to enroll in Triumph Fitness at no cost.

Thank you for considering a partnership for this important cause and special event. We truly hope you will join us to help support local cancer survivors on their paths to recovery. Together, we TRIUMPH!

Thank you,

## BENEFICIARY:

The **Triumph Cancer Foundation** is a registered 501(c)(3) public charity based in Sacramento, California. Tax ID #45-3968833. The mission of the Triumph Cancer Foundation is to empower cancer survivors in recapturing their lives after treatment through programs like Triumph Fitness. Triumph Cancer Foundation also offers continuing programs for graduates to keep them engaged in exercise - Triumph to 5K walking/running program, Triumph Tune Ups to reengage alumni with their instructors, and Triumph to the Summit annual hiking program. **All programs provided by Triumph Cancer Foundation are offered at no cost to the participant.**

**Triumph Fitness** is a 12-week exercise program for adults who have recently completed cancer treatment. Participants build muscle mass and strength, increase flexibility and endurance, and improve their capacity to perform daily activities. An important goal is to help survivors develop their own fitness regimens – so that they can continue to triumph on their own.

Groups of 8-10 participants are guided by Triumph's fitness instructors who are certified in cancer exercise specialists trained to work with the cancer population. Exercise regimens are tailored to the specific needs of each participant. Triumph Fitness is currently taught in a virtual format.

**Triumph Fitness** was launched in 2005 by Sacramento cancer survivor Pam Whitehead after assembling a qualified team to develop Triumph Fitness. The program is offered in the Sacramento area on a trimester schedule in four locations with multiple time options.
